

Week 4

D.A.R.E.

Dear Parent/ Guardian,

Today was the fourth lesson in the DARE curriculum, and it is titled “Alcohol and You”. The goals of this lesson are to help children understand the reality of alcohol use among teenagers and to help children develop a basic knowledge of alcohol and its harmful effects when used. Your child:

- Shared their thoughts about alcohol abuse among 8th graders
- Learned some health facts about alcohol abuse
- Used the DARE decision making model to solve situations where they may be tempted to abuse alcohol

Some possible topics for you to discuss with your child are:

- How many 8th graders they thought used and why?
- What was the actual number?
- Some facts they learned about alcohol abuse

Next weeks lesson is “The Real Truth”. We will be learning about alcohol advertising and how it influences young people.
